

ITINERARY

Sweetcorn Festival - Urbana, IL

August 24th, 2019

Logistics

Dress: Polos and appropriate khaki shorts/pants.

Materials: Instrument, field show music, and pep music in a flip folder.

3:30 PM: UHS Door 1 open.

3:45 PM: All percussion and guard ready to load trailer. You are responsible for your instrument; do not assume someone will get it for you. You can take your instrument home Wednesday after playing for Freshman Orientation if you'd like.

4:00 PM: Trailer departs UHS

4:15 PM: Be at the Sweetcorn Festival ready for warm-up starting at this time - transportation should be provided by student or parent (no buses). We will be meeting in the parking lot of County Plaza on the North side of the building off of Water Street (across from the Civic Center). There is no parking on actual Water St. because Urbana, Central, and Centennial trailers will be parking there. Unload the trailer and prepare instruments. Leave your cases with your rides.

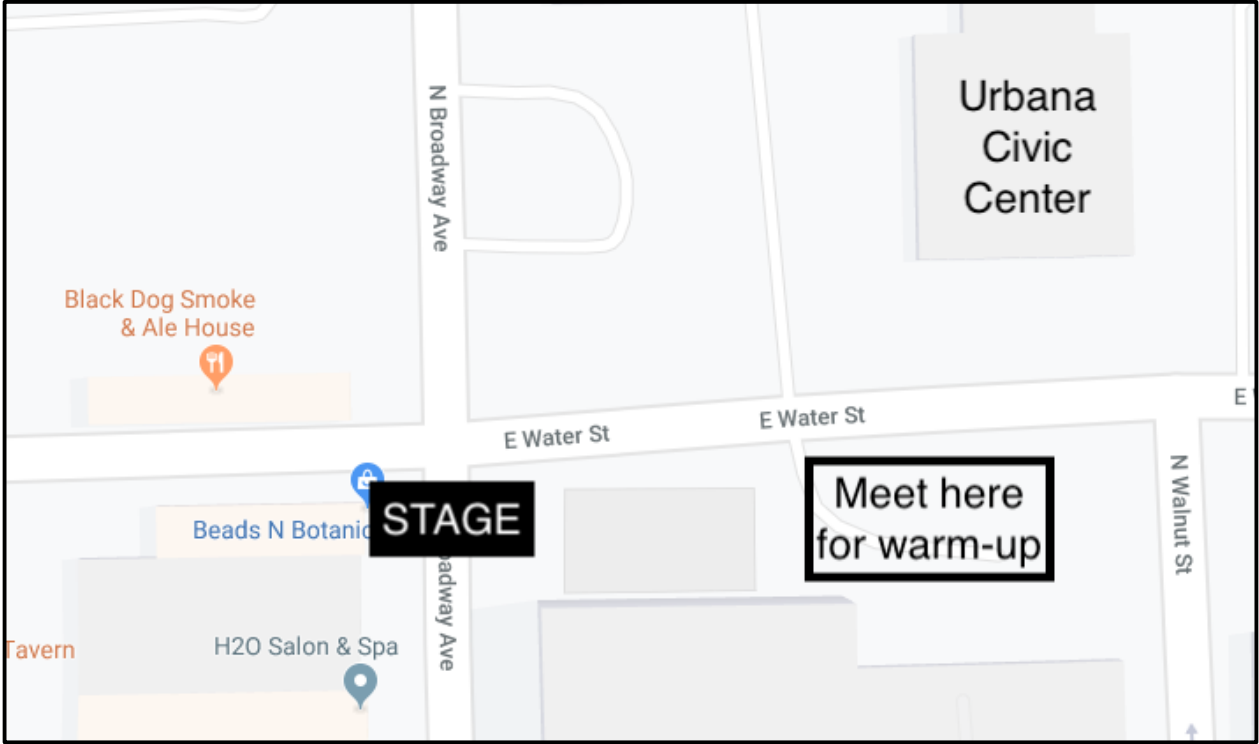

4:45 PM: Band staged and ready behind main stage.

5:00 PM: Performance. We will be playing our field show, Space Jam, Eye of the Tiger, and On Urbana. Make sure you have all this music in your flip folder in that order. After we perform, Central and Centennial will each perform and then we will play Hey Baby all together. Make sure to have that in your flip folder as well.

-After the Performance-

Students will reload equipment trailer and are dismissed. Students receive corn bucks from directors. You are welcome to stay and enjoy the festival or leave. Please note that students will not be supervised after the performance so please communicate with your parent/guardian about your plans after the performance.
